Mothers' Quotations...

"Strong reading and phonics skills have transformed Valerian from a shy and timid boy to a confident and articulate person. He even topped his class in the last year end exams." ~ Valerian Low "I feel that my daughter has moved ahead from day one. She enjoys reading and has really built up her confidence." ~ Yasmeen

> "Thanks to our consistency and dedication with the reading routine, Teresa has discovered the joy of reading. She's moving on to a structured reading course that will build her academically." ~ Teresa -Ann Pereira

" Many of my friends are surprised by her (Cynthia's) ability to read as most of their children do not know how to read those story books before primary school."

~ Cynthia Lam

"Early start in reading has had a tremendous impact on Sonea. Supported by a good Phonics course, Sonea was able to read books, and even the newspaper, by the time she was five." ~ K Sonea

Mrs Sam's ™ enrichment programmes are developed and continually updated by Mrs Sam, an educationalist of more than thirty years. She is known for her unique formula that produces spectacular results in children. Many have produced results that were never thought possible previously. The **Preparatory Programme that aims** to strengthen general academic foundation of pupils between 3 to 6 years particularly has proven to be effective and is keenly sought after by parents.
